Number on Hand	Minimum Number Required	Item
CPR MANIKINS, AIRWAYS & AIRWAY TRAINERS		
	1	CPR Manikin – Adult (<i>With feedback capabilities</i>)
	1	CPR Manikins – Adult
	2	CPR Manikins – Infant
	2	Airway Trainer – Adult
	2	Airway Trainer – Infant
	1	LMA (Laryngo-Mask Airway)
	1	Combitube Airway
	1	King Airway
OXYGEN EQUIPMENT / AJUNCTS		
	1	Portable Oxygen Tank (<i>400+ PSI</i>)
	1	Oxygen Tank Regulator
	1	Oxygen Tank Wrench
	1	Nasal Cannula – Adult
	1	Non-Rebreather Face Mask – Adult
	1	Non-Rebreather Face Mask – Child
	2	Bag-Valve-Mask unit with Reservoir – Adult
	2	Bag-Valve-Mask unit with Reservoir – Infant
	1	Portable Suction Unit with Charger
	1	Suction Catheter
	1	OPA (Oral Airways) – Set of assorted sizes
SPLINT MATERIALS		
	1	Traction Splint
	2	36” Padded Board Splints or Equivalent
	2	15” Padded Board Splints or Equivalent
	1	Long Spine Board with straps
	1	Head Immobilization Device for Long Spine Board

Number on Hand	Minimum Number Required	Item
	1	Vest-Type (Half) Spine Immobilization Device
	2	Cervical Spine Immobilization Collars (Rigid Type)
	2	Blankets (<i>Wash after each course</i>)
	1	Pillow
	12	Triangular Bandages (<i>Wash after each course</i>)
<p align="center">BANDAGE MATERIALS <i>These are disposable supplies and should be replaced with each course</i></p>		
	1	Aluminum Foil / Vaseline Gauze
	12	Roller – Type Gauze
	24	4 x 4 Dressings
	12	5 x 9 or larger ABD (Abdominal) Pads
<p align="center">MISC. EQUIPMENT</p>		
	1	A.E.D. Trainer (<i>Automatic External Defibrillator</i>)
	1	Elevating Stretcher
	1	Childbirth Kit
	1	Blood Pressure Cuff
	1	Teaching Stethoscope
	2	Regular Stethoscopes
	1	Torso Model –or- Set of Anatomy Charts
	2	Epi-Pen Trainer
	2	Prescribed Inhaler Trainer
<p align="center">Additional equipment for AEMT & Paramedic programs</p>		
	1	Set – Endotracheal Intubation equipment (Paramedic Only) (<i>Tubes, Laryngoscope handles, blades and stylettes – pediatric & adult – Macintosh {curved} & Miller {straight} blades</i>)
	1	Set – Blood Glucose Monitoring Equipment
	1	EKG Monitor / Defibrillator with pacer capabilities
	1	Rhythm Generator
	1	Plural Decompression Manikin
	2ea	Sub-Q & IM Needles
	1ea	Assorted Syringes (1,3,5,10,20,50cc)
	1ea	Assorted “state-approved” medications (<i>make be “fake” or expired</i>)
	2	Butterfly / Scalp Vein needles

Number on Hand	Minimum Number Required	Item
	1	Set – Equipment for drawing blood
	1	IV / IO Arm
	2	IO Needles or equivalent IO device
	2ea	Assorted bags of IV fluid (<i>may be “fake” or expired</i>)
	2ea	Assorted IV drip sets (Mini/Reg)
	2ea	Assorted IV Needles (14,16,18,20ga)
	6ea	Alcohol/Iodine Preps

Training Institution: _____

I verify that all the above equipment is present, clean and in working order.
